Tema: Cierre de Operaciones en Canadá

CLOSURE OF OPERATIONS IN CANADA

By mean of this mail, we want to notify you that GlobalSTD has concluded the last step for the closure of the operations in Canada, in accordance with the agreements established with the local representative and the protocols established for the transference and cancellation of the issued records.

Likewise, by this same mean, we communicate you that we are open to any doubt about the certification issued under the mark GlobalSTD. We send you Greetings, and we thank you for the trust placed in us when you chose us as your Certification Body.

For more information, please contact us at: stafftecnico@globalstd.com or 01800 2776242, +52 0133 3630 4546.

Kind regards

Certification Committee of GlobalSTD
